

# digital futures

## NEWSLETTER SEPTEMBER 2022

Together we shape the future!

### DIGITAL FUTURES WITH THE HUMAN IN FOCUS!

**Digitalize in Stockholm** is an annual conference and meeting place for global thought leaders and rising stars in academia, industry, government, and civil society – all engaged in digital transformation. Digitalize in Stockholm 2022 will be a hybrid event – ONSITE participation at Kista Nod or ONLINE via a digital platform. It is free of charge and hosted by Digital Futures. Official REGISTRATION opens on 30 September. *Together we shape the future.*

### Scholars in residence at Digital Futures

#### Gesche Joost - Scholar in residence August 2022-March 2023

Gesche Joost, Professor of Design Research at the Berlin University of the Arts, is a researcher, founder, political advisor and tech consultant. She focuses her work on digital transformation and its implications on our society both in her research practice and on the policy level.

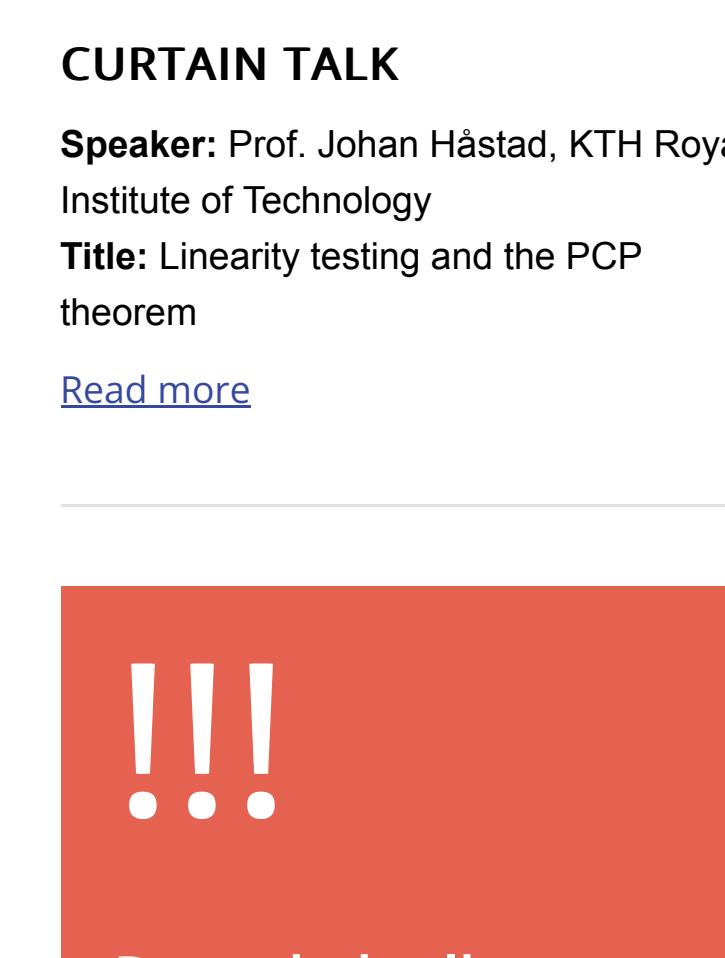

[More about Gesche Joost...](#)

#### Jiang Hu - Scholar in residence August-December 2022

Jiang Hu is a professor in the Department of Electrical and Computer Engineering at Texas A&M University. He received a B.S. degree in optical engineering from Zhejiang University (China) in 1990, an M.S. degree in physics in 1997 and the PhD degree in electrical engineering from the University of Minnesota...

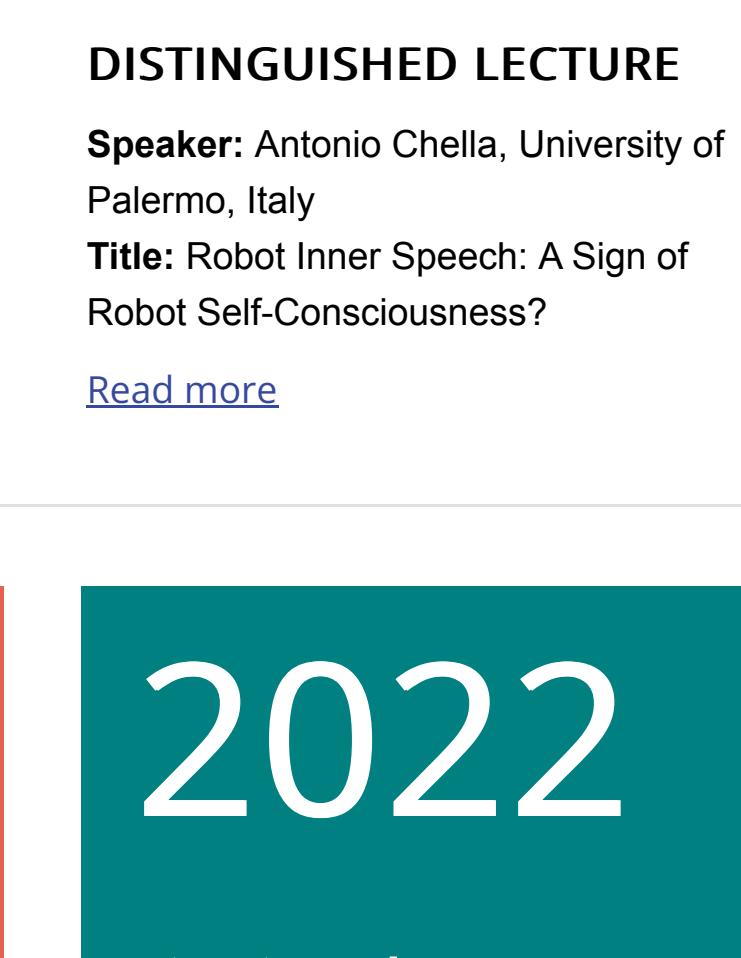

[More about Jiang Hu...](#)

#### Pei Wang - Scholar in residence September-November 2022

Pei Wang has been with Temple University, where he is now a (non-tenure track) Associate Professor in the Department of Computer and Information Sciences. Since the mid-1980s, he has been developing a formal model of general intelligence called NARS...

[More about Pei Wang...](#)

#### Richard Harper - Scholar in residence September-November 2022

Richard Harper is a professor at Lancaster University Department of Computing and Communications. Richard is concerned with how new technologies shape us and how we, in turn, shape our technologies – in the space often known as Human-Computer Interaction or HCI...
